

## **Statement of Intent.**

## **Curriculum.**

Williamstown Primary School is committed to the provision of a curriculum that satisfies the needs of all students. This will be achieved by:

- Providing all students with access to units of work that include the multiple intelligences and are reviewed to ascertain relevance and effectiveness
- Provision of programs that are inclusive, ensuring that no group is disadvantaged
- Building programs in team structures developing strategies and outcomes that are available to and achievable by all students
- Moderating student work samples to maintain appropriate standards
- Using a wide range of assessment tools to monitor student achievement
- Providing appropriate timetables to ensure access to the eight Key Learning Areas.
- Communicating with parents about student outcomes and behaviours
- Communicating data driven trends for reflection on school performance
- Staff participation in continued teacher learning programs
- Offering a range of outside classroom activities that are engaging, cater for individual needs and encourage excellence
- Providing every student with the opportunity to participate in a range of academic, sporting, artistic and social activities across all levels of the school.
