

Statement of Intent -

Environment.

Williamstown Primary School is committed to providing a learning environment that caters for the needs of all students. This will be achieved by

- Classroom presentation that is inviting, warm and engaging
- Building and maintaining strong relationships between staff, students and parents
- Continued development of Information Communication Technologies availability and access
- Provision of a safe and stimulating and play, sporting and recreational environment
- Provision of programs that encourage cooperation and respect for each other
- Continued provision of the Willy Kids are Friendly Kids program
- Appropriate supervision of students in the yard and in the classroom
- Security procedures designed to protect students, staff, parent helpers and visitors
- Provision of parent helper programs
- Encouragement of an open door policy and parent participation
- Transparent communication procedure
- Maintenance of the Grounds and Buildings subcommittee
- Maintaining the employment of a handyman
- Maintenance of comprehensive attendance and injury records
- Comprehensive first aid procedures
- Reporting student absences to parents
- Involving students in the process of school improvement
